**Jimbaran, May 2015 ...** The Leaf Jimbaran, a private luxury resort with healthy lifestyle concept is delighted to announce the appointment of I Putu Alex Kamadaru as Executive Chef, opening in August 2015. Under guidance for Paleo diet from Healthy Celebrity Chef from USA, Daniel Green, Chef Alex will spearhead the culinary team in Sattvic Fine Dining restaurant and Cilantro Roof Top and Bar at The Leaf Jimbaran.

Chef Alex spent most of his earlier years honing his skills in Bali and abroad, learning from top properties namely Bali Hyatt Resort and Spa, Atlantis Jumeirah Hotel in Dubai, The Marriott Bali, Kagum Hotel and the Harris Hotel Butik Jimbaran. Finally, in 2014, he joined with Nirmala Hospitality Management Group as their Executive Chef.

Chef Alex mindset is that 'eating healthy doesn't mean leaving behind taste or joy in eating', he brings this inspirational innovation to all efforts of his expertise within culinary arts. He and his team are excited to present something new to tempt the taste buds at every visit, enhancing the restaurant's reputation for delivering healthy, seasonable and where possible, local produce.

The passionate, well renowned, Chef Alex founds his creations of nutritious, healthy food in his love of high quality local produce, from which he establishes divine taste experiences. His utensils work seamlessly as his creative extension as he succeeds with a fusion of premium ingredients and healthy preparations while staying true to an inspiration of original, flavorsome recipes. A twist of an Asian palate appears in the seasoning of his menus, achieved in a blend of protein and vegetables in healthy complementary spice influences, attesting pleasure to all senses.
