KARMA, KARMA, KARMA

Don't we all just love this Bali Beach Club and Resort (Karma Kandara)? Exciting news on the cliff-front is that Temple Bar (rooftop, overlooking the resort and the Indian Ocean) is open for drinks and nibbles. Think Morocco meets Bali in a glorious visual of shisha pipes, stained-glass lanterns, banquette-seating all plumped up with a myriad of colourful cushions. Hand-crafted cocktails and Kasbah-style Tapas will put you in a holiday state of mind whether you are in Bali to work or play!
