### “YOU ARE WHAT YOU EAT”

We believe that good nutrition is an important part of leading a healthy lifestyle. The balance between exercise and relaxation as well as a light, balanced diet, strengthens your health and your vitality. Our dietary experts and health certified chefs will pamper you with healthy, vitalizing dishes – prepared imaginatively, creatively and individually. In harmony with Leaf Jimbaran healthy Concept, the delicate dishes in your restaurant are the perfect accompaniment to the treatments and other activities during your stay in with us.

### Healthy Eating Expert Daniel Green, The Model Cook

International TV Personality, chef, & award winning culinary author  
It's all about eating fresh food, more meat, more vegetables and less carbohydrates and fats - and no processed food. It's about returning to a healthier way of life - cutting out all the heavily processed, high fat, fast food that's an invention of recent times and getting back to the fruit, veggies, meat, seafood and nuts that our Paleolithic hunter-gatherer ancestors thrived on.

The concept and philosophy of The Leaf Jimbaran dining menu will be Chef Daniel Green's Paleo diet, offering pure, clean, wholesome, honest healthy food made tasty in a fine dining setting.

### Our Dining Options

**Sattvic Fine Dining Restaurant:** Eat well. Drink well. Benefit from healthy nutrition.

Sattvic is Jimbaran's newest and most sophisticated oceanfront dining experience. The fine dining venue is located on the second level of the property.
